ABOUT ME

Hello, I am Avadhish Savani. Currently i am persuing B.Tech degree from Silver Oak University. I am a beginner at Android Devlopment. Previously, I went to Twinnet Technology to do my internship in Android development. In this area, I am a quick learner and I am constantly learning new things. I have creative skill and basic knowlage of Adobe software such as Photoshop and Illustrator. Also, I enjoy working with a team because of the opportunity to learn from others.
